Please find enclosed your licence to operate the above named community care facility. Acceptance of this licence indicates that you agree to abide by the Community Care and Assisted Living Act and Child Care Licensing Regulation.

Please note that the licence does not include a manager name. It is the responsibility of the licensed care facility operator (licensee) to display the manager name in a prominent place, in addition to other requirements per section 11 of the Child Care Licensing Regulation.

Licensees and their employees provide direct care and supervision to persons in care and have the primary responsibility to protect and promote the health, safety, dignity, and well-being of persons in care. It is equally important that management ensure a program delivery service that understands and meets the needs of each child.

It is the licensee's duty to notify Licensing of any proposed changes to the facility, per section 10 of the Child Care Licensing Regulation.
